Anthropological Field research

Since 1988 until today, I am continuously doing fieldwork, particularly in Burkina Faso and Mali. Since 1988, I have conducted anthropological fieldwork totaling eight years in Burkina Faso on research themes, such as forestry and environment, dispute settlement and land conflicts, poverty and local development, ethnicity and the politics of belonging, democracy and political culture. Since 2008, I have conducted short, intensive periods of anthropological fieldwork in Mali (in total one year) on municipal politics and security from below.

Additional academic assignments

- Chairperson of Uppsala University's Forum for Africa Studies (2011-17); Director Uppsala University's Forum for Africa Studies (July 2017-);
