Åsa Wikforss

Åsa Wikforss is Professor of Theoretical Philosophy at Stockholm University, and has a PhD in philosophy from Columbia University, New York. She does research on the nature of knowledge and on the relation between language and thought. She has written debate articles on the conception of knowledge in the Swedish schools, and has participated in several TV- and radio programs in Sweden. In September 2017 her book on knowledge resistance is released, *Alternativa fakta. Om kunskapen och dess fiender* ('Alternative Facts. On Knowledge and Its Enemies').
