Research Support Functions

Mission: To create best possible circumstances for the performance of world class research by professional administrative support

Research Support Functions

Local funding support

- Funding support within respective domain (“närstöd”)
 - Pre- and post-award
- Follow trends and the development of new funding programs, such as Horizon Europe
- Perform lobbying
 - “The Guild”, program committees
- Administrative coordinators of some projects with certain strategic value

Local funding support

Pre-award:

- Seminars about research funding opportunities, by our team or with invited funders/experts
- Targeted information on specific calls to individual researchers
- Proposal support (e.g. project design, admin, rules, tactics, budget, consortia creation, feedback on drafts)
- Interview training (ERC)

Post-award:

- Support in contract negotiations and reporting
- Advice to ongoing projects (often if problems arise)
- Link to other support functions when needed
