

Horizon Europe

Framework programme for research and innovation 2021–2027

The Horizon framework
programme is a
POLITICAL INSTRUMENT
where research and
innovation are needed to
achieve political priorities

Horizon Europe

95,5 billion euro

Pillar 1 Excellence Science

- The **European Research Council** is the premiere European funding organisation for excellent frontier research.
- The **Marie Skłodowska-Curie Actions** are the EU flagship programme for doctoral and postdoctoral training.
- **Research infrastructures** provides resources and services for the research communities to conduct research and foster innovation in their fields.

Pillar 3

- The **European Innovation Council** (EIC) promotes breakthrough innovation with scale-up potential at the global level.
- **European Innovation Ecosystems** (EIE) will act in complement and synergy with other EU funding programmes to improve the overall ecosystem for innovation in Europe
- The **European Institute of Innovation and Technology** (EIT) increases Europe's ability to innovate by nurturing entrepreneurial talent and supporting new ideas.

Work as an expert

The European Union Institutions appoint external experts to assist in the evaluation of grant applications, projects and tenders, and to provide opinions and advice in specific cases.

Being an expert for the European Commission...

In particular, experts assist in:

- Evaluation of proposals, prize applications and tenders
- Monitoring of actions, grant agreements, public procurement contracts

In addition, experts provide opinion and advise on:

- Preparation, implementation and evaluation of EU programmes and design of policies.

In order to select experts, the European Union Institutions publish regularly calls for expression of interest (see list below) detailing the selection criteria, the required expertise, the description of the tasks, their duration and the conditions of remuneration.

Interested? Please join the database of external experts.
