In the spotlight

4 May 2022 at 09:00 - 11:00, Strengthen your international collaboration - opportunities for researchers and teachers

Welcome to an informative session about different international opportunities available to you as a researcher or teacher at Uppsala University. After the session, staff at Uppsala University will be available to give more information and answer questions about any international opportunity that interests you. The information session is held on the 4 May 2022 on both Zoom and on location at Eva Netzelius, Blåsenhus. Read more...

International Opportunities

- **Matariki Fellows.** The program is open for applications until 25 April, 2022. Funds can be applied for an up to six-month-long research stay during 2022/2023 at one of the universities in the Matariki Network. The partner Universities are Dartmouth College (USA), Durham University (England), Queen's University (Canada), University of Otago (New Zealand), Eberhard Karls Universität Tübingen (Germany) and University of Western Australia (Australia). Researchers, teachers and PhD-students employed at Uppsala University are eligible to apply. Applicants can request funds for housing and travel expenses. Funding is also available for substitute teachers and accompanying family. Read more...
