

## How to apply to courses within a programme using universityadmissions.se

1. Go to [universityadmissions.se](https://universityadmissions.se). Click on *Log in*.

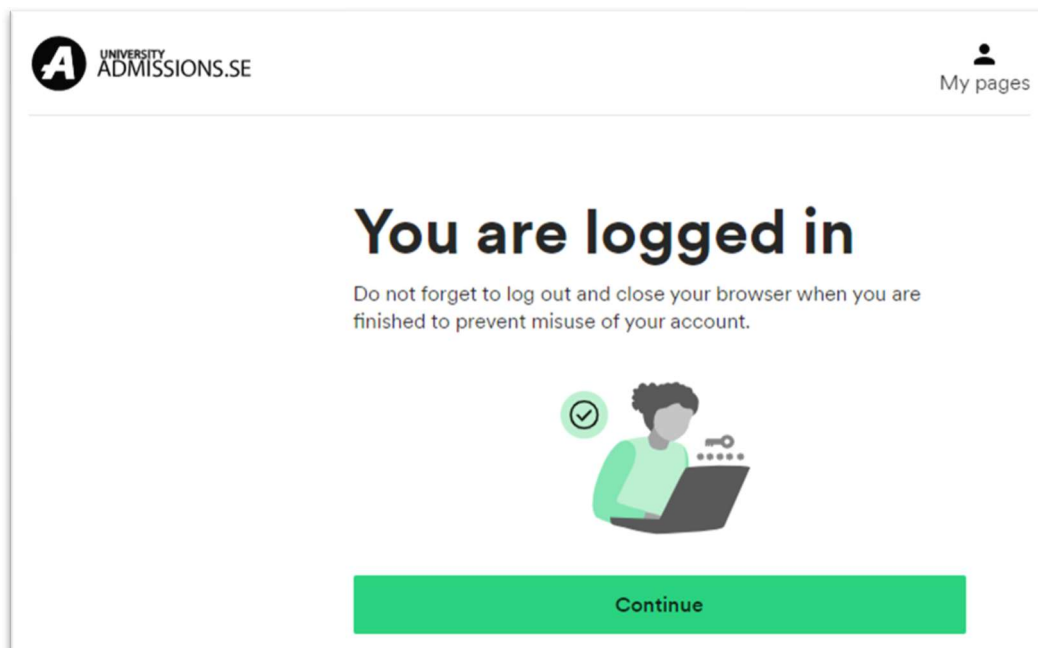

2. You have to log in before you choose courses. Use Uppsala University's student portal to log in, do not log in with your universityadmissions.se account. Choose *Uppsala University* from the list of universities under *Log in with university account* and press *To Student Portal*.

The image shows a 'Log in' form. At the top is the title 'Log in'. Below it are two input fields: 'Email or Swedish identity number' and 'Password' (with a toggle icon). There is a link 'Forgot password' below the password field. A blue 'Log in' button is below the email field. Below the button is the text 'Don't have an account?' followed by a link 'Create an account'. Below this is a section 'Log in with eduID' with a button. Below that is a section 'Log in with university account' which is expanded, showing a dropdown menu for 'University' with 'Uppsala University' selected. A blue 'To Student Portal' button is at the bottom of this section. A red oval highlights the 'Log in with university account' section and the 'To Student Portal' button.

3. You will be taken to the joint web log in for Uppsala University.

Use your user name and password from your student account. You will be taken back to universityadmissions.se when you click on the LOGIN-button.

4. A message appears on the screen, confirming you are logged in. Click on the University Admissions logo to get back to the front page, where you can start your application. (The *Continue* button will take you to “My pages”).

5. Write the enrolment code (or the name) of the course you want to apply for.

The screenshot shows a search bar with the title 'Search for courses and programmes'. Below the title is a blue banner image. Under the banner, there are two input fields. The first is labeled 'Semester' and has a dropdown menu with 'Spring 2024' selected. The second is labeled 'Courses and programmes' and contains the text 'UU-68615' with a search icon on the left and a close icon on the right. To the right of these fields is a blue button labeled 'Find courses'.

6. Click *Find courses*. The course you searched for will be shown.

The screenshot shows the details for a course titled 'Mineralogy and Gemology'. Below the title, it says '5 Credits, Uppsala University, Location: Uppsala'. There is a green dot followed by the text 'Application period 15 Sep - 16 Oct'. On the right side, there is a heart icon. At the bottom left is a button labeled 'Show more' with a dropdown arrow. At the bottom right is a blue button labeled 'Select'.

7. Click *Select* to the right of your chosen course and your course will be added to your application under *My selection*. Repeat if you want to apply for more than one course.

When you have added all your courses and are ready to proceed click *My selection*.

8. Check that you have selected the right courses (click *Show more* to see more information regarding the selected courses) and click *Start application*.
