# Financial plan for studies at research level at the Faculty of Theology, Uppsala University

---

**A.** Acceptance to studies at research level presupposes financing within the faculty's grants for doctoral studies. This means an individual grant of at the present SEK 26 100:- per month.

**B.** Acceptance to studies at research level will be possible through external financing:

Specify external financer

Submit verification from the financer

The a verification should show period and percentage of full time for the grant or employment (4 years full time studies, 8 years part time studies)

If additional financing from the faculty is presupposed, this should be mentioned in the verification.

**C.** Acceptance to studies at research level at the Faculty of Theology will be possible through own financial source(s):

- Specify financial source

- Submit a verification from the financer

- The verification should show period and percentage of full time for the grant (4 years full time, 8 years part time).

The guarantee should imply an economical level corresponding to no less than students' loan for a period of four years. This category also includes students financed through scholarships.

I apply for acceptance to studies at research level at the Faculty of Theology according to financial model A, B or C (specify):
