

Harald Hammarström

Curriculum Vitae

			etai	
L)	OKC	202	 10+01	10
	-1	1114	 μ	_

Full Name Harald Daood Hammarström.

Birthdate Born 4th of August 1977 in Västerås, Sweden.

Nationality **Sweden**.

Education & Academic Appointments

2017- Associate Senior Lecturer: Uppsala University.

2016-2016 Senior Researcher: Max Planck Institute for the Science of Human History, Jena.

2013-2015 Researcher: Max Planck Institute for Psycholinguistics, Nijmegen.

2010-2013 **PostDoc:**.

50% at the Radboud Universiteit Nijmegen.

50% at the Max Planck Institute for Evolutionary Anthropology, Leipzig.

2005-2009 PhD Student, Dept. of Comp. Sci., Chalmers University, Gothenburg, Sweden.

2003-2005 Project Assistant on a VINNOVA Project, Chalmers University, Gothenburg, Sweden.

2001-2002 Computer Science, University of Uppsala, Sweden.

2001-2001 Master's Thesis, ILLC, Amsterdam, the Netherlands.

2000-2001 Computer Science, University of Uppsala, Sweden.

1999-2000 Computer Science, Facultad de Informática, Madrid, Spain.

1997-1999 Computer Science, University of Uppsala, Sweden.

1996-1997 Computer Science, University of Linköping, Sweden.

1993-1996 High School (Natural Sciences focus), Västerås, Sweden.

1984-1993 Elementary school, Västerås, Sweden.

In parallel with the computer science studies 1997-2002, various less-than one semester courses were taken in Philosophy, Economics, Law, Nutrition, Linguistics, and various languages (see table).

Linguistic Fieldwork

Language	iso-639-3	Family	Location	Duration
Mor	moq	Isolate	Papua, Indonesia	2+2 months
Dizin	mdx	Dizoid	Ethiopia	2 weeks
Tagoi	tag	Rashad	North Sudan	2 weeks
Goras	erw	Austronesian	Papua, Indonesia	1 week
Otoweri	bzp	South Bird's Head	Papua, Indonesia	1 week
Duvle-Wano Pidgin	-	Duvle-based (Lakes Plain)	Papua, Indonesia	1 week
Fur	fvr	Furan	Ex-situ in Uppsala	6 months (intermittently)

Plus survey work on 10 more languages of Papua, Indonesia.

Conference/workshop Organization

- Assist: SLE Workshop on What is in a morpheme? (2017)
- o Chair: Workshop on Capturing Phylogenetic Algorithms for Linguistics (2015)
- Chair: Panel on Hunter-Gatherer Languages in Contact, at CHAGS XI (2015)
- Chair: Workshop on Quantitative Approaches to Areal Linguistics (2012)
- Chair: Workshop on the Classification of Papuan Languages (2012)
- Assist: Swedish conferences in Language Technology (2005, 2005, 2006)
- Assist: Nordic Symposium of African Languages (2007)

^c3 years in Holland

^dVernacular used for fieldwork

e3 years in high school

^f5 years in high school

^bAt Gothenburg University

^cAt Gothenburg University

 $[^]d$ 3 years in high school + 1 year Erasmus stay in Madrid

e1 year course at Colegio Mayor Universitario "Nuestra Señora de Africa", Madrid

- Assist: International Conference on Bantu Languages (2007)
- Assist: 14th Himalayan Linguistic Symposium (2008)
- o Assist: GoTAL 6th International Conference on Natural Language Processing (2008)
- Assist: 23rd Scandinavian Conference of Linguistics (2008)
- o Assist: Workshop on Language Documentation and Language Description (2008)
- o Chair: Workshop on Unsupervised Methods in NLP (2008)
- Chair: Gothenburg Typological Seminars (seminar series 2007-2009)
- o Chair: Nijmegen Grammar Group (seminar series 2014-2015)

Supervision of Graduate Students

2012-2016	Co-supervisor: PhD Student Francesca Moro (Radboud University Nijmegen)
2012-2016	Co-supervisor: PhD Student Grégoire Detrez (Chalmers University Nijmegen)
2017-	Co-supervisor: PhD Student Eline Visser (Lund University)
2018-	Main supervisor: PhD Student Maja Robbers (Uppsala University)
2019-	Main supervisor: PhD Student Philipp Rönchen (Uppsala University)

Non-Academic Work Experience

Grants

- o In high school:
 - Scholarship (not applied for) of US\$2900 for skill of mathematics (esp. problem solving), 1996
- As an undergraduate:
 - Scholarship (applied for) of US\$3000 for general diligence in studies, 1998
 - Scholarship (applied for) of US\$1800 for general diligence in studies, 1999
 - Scholarship (applied for) of US\$12000 for general diligence in studies, 2000
- O As a PhD Student:
 - Many conference travel grants (2004-2008)
 - Project Grant US\$8000 for 'Language Technology for Languages of the Central African Republic' from CLT (2007)
- As a researcher:
 - 2015 PI: NIAS-Lorentz Theme Group Fellowship (salaries for 5 researchers x 3 months) plus a Lorentz Center Workshop (10 000 EUR) ("Capturing Phylogenetic Algorithms for Linguistics")
 - 2017 PI: Marcus and Amalia Wallenberg Foundation Grant 500 000 EUR ("From Dust to Dawn: Multilingual Grammar Extraction from Grammars")
 - 2017 PI: JPICH-ERC Grant 700 000 EUR ("DReaM: The Dictionary/Grammar Reading Machine: Computational Tools for Accessing the World's Linguistic Heritage")

 2017 co-PI: Marcus and Amalia Wallenberg Foundation Grant 500 000 EUR ("CHRONOS -Chronology of Roots and Nodes of Family Trees")

	Commissions of Trust
2018	Programme Committee Member for ComputEL-3: Workshop on computational methods in the study, support, and revitalization of endangered languages
2018	Programme Committee Member for LACompLing2018: Symposium on Logic and Algorithms in Computational Linguistics 2018
2018	Grant Proposal Evaluator for ERC Starting Grants
2017	Programme Committee Member for Workshop on Phylogenetic Methods in Historical Linguistics
2016-	Associate Editor on Language and Linguistics in Melanesia (Journal of the Linguistic Society of Papua New Guinea)
2016	Programme Committee Member for ICON 2016: 13th International Conference on Natural Language Processing
2016	Grant Proposal Evaluator for NIAS
2015	Panel member for the ALT Panini Award
2015-	Associate Editor on Journal of Language Evolution (Oxford University Press Journal)
2014-	Associate Editor on Transactions on Asian and Low-Resource Language Information Processing (ACM Journal)
2014-2017	Grant Proposal Evaluator for ELDP Grants on Endangered Languages
2014	Programme Committee Member for the Workshop Linked Data in Linguistics
2014	Grant Proposal Evaluator for NSF Track on Endangered Languages
2014	Grant Proposal Evaluator for Aarhus Institute of Advanced Studies (AIAS)
2013	Programme Committee Member for the Workshop Linked Data in Linguistics
2012	Programme Committee Member for the Workshop Visualization of Linguistic Patterns and Uncovering Language History from Multilingual Resources
2007-	Reviewing for Nature, Language, Linguistics Typology, Springer, Cambridge University Press, Brill, Pacific Linguistics, International Journal of American Linguistics, Computational Linguistics, Language Dynamics & Change, Oceanic Linguistics, ACL, EACL, EVOLANG and many others

Popular Press

- 2009-01-11: Expressen Söndagsbilaga (the Sunday 'lifestyle' appendix to a tabloid-like national daily) had a 3-page interview with me since I have more university credits than anyone else in Sweden (according to official statistics gathered by them).
- 2010-05-06: The Times science magazine featured an article about numeral systems and number bases based on my work (with due mention of my name) http://www.timesonline.co.uk/ tol/news/science/eureka/article7112969.ece.
- 2012-01-11: Frankfurter Allgemeine Zeitung had an article about the Automated Dating of language families based on the Current Anthropology paper. ["Wir wollen also hinabsteigen und dort ihre Sprache verwirren" by Wolfgang Krischke].
- 2013-04-04: Die Zeit Online had an article about the multitude of languages based on the data in Glottolog/LangDoc ["Barbarah Hahn, Christine Zimmermann and Christoph Drösser "Sprachen-Vielfalt"] http://www.zeit.de/2013/15/infografik-sprachen
- o 2015-01: The Max Planck Research: The Science Magazine of the Max Planck Society has a

- short article about the collaboration between Glottolog and DeGruyter publishing (page 9), with links to the glottolog.org database curated by me.
- 2015-01-16: The Dutch online popular science magazine Kennislink http://www.kennislink.nl/publicaties/verslaafd-aan-taalleren has an article about the wonders of learning languages ("Verslaafd aan Taalleren") featuring me and three colleagues.
- 2015-01-19: Börsenblatt, an information service for German publishers and booksellers, had an article about open access to bibliographical data in Glottolog ["Bibliografische Daten für Open Access Datenbank Glottolog"] http://www.boersenblatt.net/862986/
- O 2016-10-18: Interview on the national Swedish popular science radio show Vetenskapsradion http: //sverigesradio.se/sida/artikel.aspx?programid=406&artikel=6518646 ("En näsa är en näsa oavsett språk") about a joint paper on the amount of sound symbolism in the languages of the world. The same article was features in numerous popular press reports including Washington Post https://www.washingtonpost.com/news/speaking-of-science/wp/ 2016/09/12/a-nose-by-any-other-name-biology-may-affect-the-way-we-invent-words/, ABC http://www.abc.net.au/news/2016-09-13/linguists-discover-humans-have-'universal-lang' /7841134, Scientifi American http://www.scientificamerican.com/article/r-is-for-red-common-word Nature News & Views http://www.nature.com/nature/journal/vaop/ncurrent/full/nature20474. html?WT.mc_id=TWT_newsandviews, see https://pnas.altmetric.com/details/11966153/ news for a fuller list.
- 2017-06-26: The Geographical Magazine featured an article about the Glottolog map and language inventory facilities http://geographical.co.uk/places/mapping/item/2255-speaking-out.
