## International networks

Next to the research mentioned above projects, I also participate in a number of international networks. Through my collaboration with colleagues in Canada (UVic), France (SciencePo), Germany (Universität Bremen), Czech Republic (Charles University), UK (LSE, Univ. of Leeds, Univ. of Warwick), and Nordic countries (e.g. Aalborg University, CBS, University of Bergen, Oslo University), I regularly attend workshops and seminars in these countries as a part of research projects on the governance of public sector organizations, mediatization, governance of cultural fields, development of neo-institutionalism and others. I am an active member of numerous scholarly associations such as the European Group of Organizational Studies (EGOS), Academy of Management (AOM), European Communication Research and Education Association (ECREA), Nordic Academy of Management (NFF), Nordic Network on Public Sector Communication, New Institutionalism, and several others.
