

PERSONAL INFORMATION**Rolf Gedeberg****WORK EXPERIENCE**

January 2018- Present

Clinical assessor

Swedish Medical Products Agency (Sweden)

Clinical Assessor. Regulatory procedures involving epidemiological data from all disease areas.

Regulatory procedures focused on pain, anaesthesia, intensive care.

October 2014-December 2017

Scientific Director Epidemiology and Pharmacovigilance

Medical Products Agency (Sweden)

Quality development and quality assurance in epidemiology and pharmacovigilance.

December 2012-September 2014

Clinical Assessor/medical epidemiologist

Medical Products Agency (Sweden)

Clinical assessor at the Department of Usage / Epidemiology. Medical epidemiology with focus on methodological support.

April 2012-December 2012

Clinical Assessor

Medical Products Agency (Sweden)

Clinical Assessor, Efficacy and Safety 1. Regulatory affairs focused on pain, anaesthesia, and intensive care.

April 2009-March 2012

Researcher in Epidemiology

Department of Surgical Sciences, Uppsala University (Sweden)

Researcher in Epidemiology at Uppsala Clinical Research Center. Consultant services externally and internally regarding epidemiological methodology and registry-based research.

April 1993-March 2012

Consultant intensivist (equivalent)

Department of Anaesthesiology and Intensive Care, University Hospital, Uppsala (Sweden)

Clinical work in general, burn, neurosurgical, and cardio-thoracic intensive care. Part of the period functional responsibility for paediatric critical care within the general ICU.

August 1993-December 1995

Medical Director

Department of Anaesthesiology and Intensive Care, University Hospital, Uppsala (Sweden)

Medical Director for Ambulance Helicopter Critical Care Transportation Program.

August 1992-May 1993

Medical Director, Ambulance Services.

Uppsala University Hospital (Sweden)

Part-time medical supervision and training of regional ambulance organisation.

November 1989-May 1993

Residency

Department of Anaesthesiology and Intensive Care, University Hospital, Uppsala (Sweden)

Anaesthesia and Intensive Care

May 1989-October 1989

Residency

August 1987-April 1989 **Internship**
Sundsvall Hospital (Sweden)

EDUCATION AND TRAINING

November 2012-July 2013 **Certificate in pharmacoepidemiology & pharmacovigilance**
London School of Hygiene & Tropical Medicine (United Kingdom)

-October 2008 **Associate professor**
Uppsala University (Sweden)

-March 2000 **European Diploma in Intensive Care Medicine**
European Society of Intensive Care Medicine (by examination) ()

-May 1999 **Doctor of Medical Sciences (PhD)**
Uppsala University (Sweden)
Augmentation of Vital Organ Blood Flow during Experimental Cardiopulmonary Resuscitation. Acta Universitatis Upsaliensis 1999.

-June 1993 **Diplomate of the European Academy of Anaesthesiology**
European Academy of Anaesthesiology (by examination) ()

June 2013-June 2013 **Course in Causal Inferences**
Health Economic Forum at Uppsala University (HEFUU) (Sweden)
Short course given by Donald Rubin, Harvard University, and Elizabeth Zell, CDC.

December 2011-December 2011 **Course on Causal Inference**
Uppsala University (Sweden)
Short course given by Bianca de Stavola and Rhian Daniel, London School of Hygiene and Tropical Medicine, UK

September 2009-September 2009 **Nonlinear Mixed Models and their Application**
Turku University (Finland)

May 2008-May 2008 **Structural Equation Modeling**
CHESS, Stockholm University / Karolinska Institutet (Sweden)
Short course given by Dr Bianca DeStavola, London School of Hygiene and Tropical Medicine, UK

February 2006-March 2006 **Principles for Epidemiologic Data Analysis**
NIHES (Netherlands)
Short course given by Professor Kenneth J. Rothman

August 2005-August 2005 **Erasmus Summer Programme**

Erasmus University, Rotterdam (Netherlands)

(1) Conceptual foundation of epidemiologic study design (K. Rothman). (2) Introduction to public health (R. Bonita). (3) Regression analysis (S. Lemeshow).

October 2009-November 2009 [Advanced logistic regression](#)
Statistics.com (United States)

May 2009-June 2009 [Categorical data analysis 2](#)
Statistics.com (United States)

April 2009-May 2009 [Mixed and hierarchical linear models](#)
Statistics.com (United States)

October 2007-November 2007 [Modeling in R](#)
Statistics.com (United States)

October 2007-November 2007 [Bootstrap methods](#)
Statistics.com (United States)

September 2007-October 2007 [Survival analysis](#)
Statistics.com (United States)

January 1992-January 1992 [Advanced clinical epidemiology](#)
Uppsala University (Sweden)
A one-week course given by Professor John A. Baron (Dartmouth) in the PhD training program

-May 1993 [Swedish Board Certification in Anaesthesiology and Intensive Care](#)
Swedish National Board of Health and Welfare (Sweden)

-October 1993 [Flight surgeon](#)
Swedish Air Force (Sweden)

-April 1989 [Swedish Medical License](#)
Swedish National Board of Health and Welfare (Sweden)

February 1986-February 1988 [Extended Graduate Course in Anaesthesiology and Intensive Care](#)
Faculty of Medicine, University of Uppsala (Sweden)

January 1982-June 1987 [Graduate Medical School](#)
Uppsala University (Sweden)

Expertise

1. Medical epidemiology
2. Intensive care
3. Anaesthesiology

Projects

Memberships

1. Scientific Secretary, Swedish National Association for Anaesthesia and Intensive Care. 2010-2012.
2. Board member, Swedish National Association for Anaesthesia and Intensive Care. 2009-2010.
3. Invited member of the International Collaborative Effort (ICE) on Injury Statistics, sponsored by the Centers for Disease Control and Prevention's (CDC) National Center for Health Statistics (NCHS), USA (www.cdc.gov/nchs/advice.htm). 2007-present.
4. Project leader The Intensive care Registry for H1N1 Influenza in Sweden (IRIS) at Uppsala Clinical Research Center. Nov 2009-June 2010.
5. Chairman, Hospital Committee on Cardiopulmonary Resuscitation. University Hospital, Uppsala, Sweden. March 2001-September 2003.
6. Member of the subcommittee for Intensive Care. Swedish National Association for Anaesthesia and Intensive Care. 1999-2000 and Feb 2006-2009.
7. Member of the subcommittee for Prehospital Care. Swedish National Association for Anaesthesia and Intensive Care. 1994-1998.
8. Member of the Hospital Steering Committee for Ambulance Helicopter Critical Care Transportation Programme. Uppsala University Hospital. 1995-1997.
