

CV and publications

Ingrid Marianne Nylander (Christensson)

University address Dept of Pharmaceutical Biosciences, Neuropharmacology, Addiction & Behaviour, Uppsala University, Box 591, 751 24 Uppsala, Sweden

Exams

1979	MSciPharm, Faculty of Pharmacy, Uppsala University
1986	PhD, Pharmacology, Uppsala University
1996	Associate professor, Pharmacology, Uppsala University
2005	Professor, Pharmacology, Uppsala University

Positions

1980-1986	PhD student Doctoral thesis: Dynorphin and substance P pathways in the central nervous system. Neurochemical and functional studies, Supervisor: Prof. Lars Terenius
1986	Lecturer at Dept of Pharmacology, Uppsala University
1987	Postdoctoral fellowship at Dept of Psychiatry, Louisiana State University, Shreveport, Louisiana, USA. Awarded the The Swedish America Foundation Award for post doctoral studies
1988-1989	Research position at Dept of Pharmacology, Uppsala University
1990-1995	Research position, lecturer and director of studies at Dept of Drug Dependence Research, Karolinska Institute, Stockholm
1995-2005	Research position, senior lecturer, director of studies at Dept of Pharmaceutical Biosciences, Division of Pharmacology, Uppsala University

Present position

2005-	Professor in Pharmacology PI Neuropharmacology, Addiction & Behaviour
-------	--

Main supervisor, PhD students

- Karolina Ploj, 2002, *Involvement of the opioid system in high alcohol consumption. Environmental and genetic influence*, UU
- Erika Roman, 2004, *Maternal separation in rats. An experimental model for long-term effects of early life experiences on neurochemistry, voluntary ethanol intake and exploration and risk assessment behavior*, UU
- Lisa Gustafsson, 2007, *Endogenous opioids and voluntary ethanol drinking. Consequences of postnatal environmental influences in rats*, UU
- Sadia Oreländ, 2009, *Maternal separation in the rat. The short- and long-term effects of early-life experience on neuropeptides, monoamines and voluntary ethanol consumption*, UU
- Loudin Daoura, 2013, *Early environment and adolescent ethanol consumption; Effects on endogenous opioids and behaviour in rats*, UU
- Sara Palm, 2014, *Early environment, adolescent alcohol drinking and neurobiological responses to drugs*, UU
- Linnea Granholm, licentiate exam 2015, *Neurobiological Consequences of Social Conditions and Alcohol Exposure in Adolescent Rats*, planned dissertation 2018

Co-supervisor, PhD students

- Maria Vrettou, ongoing
- Megha Bendre, ongoing
- Stina Lundberg, ongoing

CV and publications

- Sara Lindholm, 2001, *Neurochemical and behavioral studies on ethanol and brain opioid interactions*, KI

Publications

> 100 publications within the field of neurobiology and addiction research, with special focus on the neurobiological basis for alcohol use disorders

Research grants

Major funding from Mobilisering mot narkotika, AFA Insurance, ERAB, Alcohol Research Council of the Swedish Alcohol Retailing Monopoly, The Swedish Medical Research Council

Teaching

Extensive teaching experience at the basic, advanced and research level through teaching assignments and positions since 1980 Undergraduate teaching and graduate courses on for example medical, pharmaceutical, biomedical programmes in Pharmacology and Physiology, Neurobiology and Addiction

Awards

- The Pedagogical award from The Pharmacy student organization, 1998
- The Uppsala University pedagogical award, 1999
- The Best student influence award from The Pharmacy student organization, 2011 and 2017

Communication with the society

Extensive experience in communication to the general public as a speaker at courses directed to the community, schools, police, clinics, treatment homes, social welfare, etc. Examples:

- Lectures, seminars and information about current science to persons in health care, childhood and adolescence units, police, schools, treatment facilities, etc. and the general public

Textbooks

Editor, Franck & Nylander "Beroendemedicin" textbook in addiction, 2011

Editor, Franck & Nylander "Beroendemedicin" 2nd ed, 2015

Chapter, Beroendmekanismer, in "Beroendemedicin" (Ed. Franck & Nylander) 2011, 2015

Chapter, Belöning och beroende, in "Handbok i missbrukspsykologi" (Ed. Fahlke) 2012

Assignments and awards

- Vice dean, disciplinary domain Medicine and Pharmacy, 2002-2008; 2014-
- Member of the disciplinary domain board Medicine and Pharmacy, 2002-2008; 2014-
- Member of the Faculty of Pharmacy committee, 2002-2008 + 2011-
- Chairman of the Quality committee, Medicine and Pharmacy, 2008-2014
- Member of the Uppsala University Quality committee, 2008-2014
- Vice chairman, of the undergraduate committee Faculty of Pharmacy, 1999-2000
- Member of the undergraduate committee, Faculty of Pharmacy, 1998-99
- Evaluation panel member for research grants, Alcohol Research Council of the Swedish Alcohol Retailing Monopoly, 2010-2016
- Evaluation panel member for research grants, The Swedish Medical Research Council, 2013
- Evaluation panel member for research grants, Karolinska Institute ALF, 2013-15
- Executive committee member, The organization for International Narcotic Research Conference (INRC), 2010-2013
- The Swedish Council for Information on Alcohol and Other Drugs (CAN), The addiction research prize, 2015
